KSCSTE Research Fellowship

A monthly fellowship from the Kerala State Council for Science, Technology and Environment for bright postgraduates who take up PhD research in science or engineering.

What you may get

A stipend of Rs 31,000 a month for the first two years as Junior Research Fellow and Rs 35,000 a month in the third year as Senior Research Fellow, plus a yearly contingency grant of Rs 20,000. The fellowship lasts up to three years. Hostel stay is allowed where available, otherwise house rent allowance up to 10 percent of the fellowship.

Who it is for

Postgraduates in science or engineering, with a qualifying degree from a Kerala university, who want to do a PhD in one of seven science streams.

Main conditions

- Your postgraduate degree must be from a university in Kerala.
- General and OBC candidates need at least 70 percent marks or equivalent CGPA in the PG examination. SC, ST and differently abled candidates need at least 65 percent.
- You get three consecutive chances to apply after passing the PG degree.
- Choose one of seven streams: Mathematical, Life, Chemical, Physical, Engineering, Environmental, or Earth, Atmospheric and Planetary Sciences.

How to apply

1. Apply online when KSCSTE invites applications.
2. Pay the application fee of Rs 750. SC, ST and differently abled candidates pay no fee.
3. Appear in the online examination, which is how fellows are chosen.
4. For questions, write to the Head, Basic Science Division, KSCSTE, Sasthra Bhavan, Pattom, Thiruvananthapuram.
