Student Project Scheme (KSCSTE)

KSCSTE funds small science and engineering projects done by college students in Kerala under the guidance of a teacher.

What you may get

Financial help of up to Rs 10,000 per project for a six month project. A project can have up to 5 student investigators. In one financial year KSCSTE sanctions at most 15 projects per college, 4 per department and 2 per Principal Investigator.

Who it is for

Students of professional courses (graduate and postgraduate) and science postgraduate courses in colleges and university departments in Kerala.

Main conditions

- You must be currently enrolled in a professional graduate or postgraduate course, or a science postgraduate course, in a Kerala college or university department.
- A project team can have no more than 5 student investigators.
- You need the consent of your principal investigator (teacher guide) and the Head of the Institution.

How to apply

1. Watch the KSCSTE website and newspapers, because applications are invited once a year.
2. Submit the application on the online portal on the KSCSTE website, with the consent of your principal investigator and the Head of the Institution.
3. Send the hard copies of the application as the notice asks.
4. For questions, call 0471-2548218 or write to spkscste2023@gmail.com.
