Mukhyamantri Divyang Shiksha Protsahan Yojana

Madhya Pradesh supports students with disability in government higher secondary schools, colleges and polytechnics, mainly through assistive equipment, so that they can reach their institutions and study with ease.

What you may get

Help for disabled students to reach their institution and study: the department provides mobility and learning aids, and its records mention laptops and motorised tricycles. Visually and hearing impaired students are given aids for study. The department's online implementation order for 2026-27, dated 22 June 2026, is listed on the scheme page.

Who it is for

Students with disability who are natives of Madhya Pradesh and are regular students of a government higher secondary school, college or polytechnic.

Main conditions

- The student must be a native of Madhya Pradesh and a regular student of a government higher secondary school, college or polytechnic (a diploma of at least two years).
- A student with orthopaedic disability needs more than 60 percent marks in the last exam, and students with other disabilities need 50 percent marks.
- The disability must be of these types: orthopaedic (cannot walk on both legs), visual or hearing impairment above 40 percent, or intellectual disability certified by a doctor.
- The student's name must be registered on the Sparsh Abhiyan portal.
