Telangana Micro Irrigation Project (TGMIP)

Telangana farmers get a subsidy on drip and sprinkler irrigation systems under the state micro irrigation project, which runs under the Per Drop More Crop programme.

What you may get

Subsidy on drip irrigation is 90 percent for SC and ST farmers, 80 percent for BC, small and marginal farmers, and 70 percent for others. Portable sprinklers get 65 percent subsidy, limited to 1 hectare.

Who it is for

Farmers of Telangana of every category who want a drip or sprinkler system on their own land.

Main conditions

- Farmers of all categories are covered, whatever their income, for drip or micro irrigation up to 5 hectares or the land in their title deed, whichever is less.
- Aadhaar is mandatory for registration.
- Small and marginal farmers, SC, ST and BC farmers, women and farmers with disabilities get preference.

Documents

- Aadhaar card
- Copy of title deed, 1(B) register or pattadar passbook
- Aadhaar linked bank account details with a recent photo

How to apply

1. Register your application online through a Mee-Seva centre or the TGMIP portal using an OTP sent to your Aadhaar linked mobile number.
2. Choose one of the empanelled micro irrigation companies, as the farmer's choice.
3. Track the status of your application on the portal using your HP ID.
