Mobile Medical Van Scheme

Gujarat Labour Welfare Board runs mobile medical vans that visit industrial areas and labour colonies and give workers and their dependants free check-ups and basic treatment.

What you may get

Free medical check-up and basic medical treatment at the van, which carries a doctor, a pharmacist, paramedical staff and a lab technician. The van also does lab tests such as malaria, diabetes, blood count, haemoglobin and a pregnancy test, and gives medicines as needed free of cost.

Who it is for

Workers living or working in the industrial areas and labour colonies that the vans visit, and their dependants.

Main conditions

- The vans serve industrial areas and labour colonies, for example in Ahmedabad, Rajkot, Bhavnagar, Morbi, Mahesana, Gandhinagar, Surat, Vapi, Valsad, Bharuch, Gandhidham, Vadodara and Halol.
- A van visits a place on a fixed schedule decided in advance, so you can use it when it is in your area.

How to apply

1. No application is needed on the page. Open the van schedule for your industrial area on the Board's Mobile Medical Van page.
2. Go to the van at the stop and time given in the schedule for your area.
