Take Home Ration (Anganwadi)

Gujarat gives take-home ration packets and hot snacks to young children, pregnant women and breastfeeding mothers who are registered at an Anganwadi centre.

What you may get

Each month, 7 packets of Balshakti (500 g each) for normal-weight children from 6 months to 3 years, and 10 packets for severely underweight children of that age. Children from 3 to 6 years get a hot morning snack and a hot afternoon snack at the Anganwadi six days a week and fruit on two days, and severely underweight ones also get 4 Balshakti packets a month. Pregnant and lactating mothers get 4 packets of Matrushakti (1 kg each) every month.

Who it is for

Children aged 6 months to 6 years, pregnant women and breastfeeding mothers who are registered at an Anganwadi centre in Gujarat.

Main conditions

- A child must be between 6 months and 6 years old and registered at an Anganwadi centre.
- A pregnant woman or breastfeeding mother must be registered at an Anganwadi centre.
