## Posts

- Assistant Professor Grade-II (Level 10 or 11)
- Assistant Professor Grade-I (Level 12)
- Associate Professor (Level 13A2)
- Professor (Level 14A)

## Who can apply and the conditions

- At every level you need a Ph.D. and an excellent academic record, with a first class (or equivalent) in your earlier degree.
- Assistant Professor Grade-I needs at least 3 years of experience after the Ph.D. in teaching, research or industry. Candidates with less experience can apply for Grade-II.
- Associate Professor needs at least 6 years after the Ph.D., of which 3 years at Assistant Professor level or equivalent.
- Professor needs at least 10 years after the Ph.D., of which at least 4 years at Associate Professor level in IITs, IISc, IIMs, IISERs or reputed foreign universities. Bhatnagar awardees and fellows of INSA, INAE, IAS or NASI with an exceptional record can also apply.
- Preferred upper age is 35 years for Assistant Professor, 45 years for Associate Professor and 55 years for Professor, on the closing date. SC and ST get 5 years, OBC-NCL 3 years, and PwBD 10 to 15 years of relaxation.
- The 16 departments cover AI, biomedical, biotechnology, chemical, chemistry, climate change, civil, computer science, design, electrical, entrepreneurship and management, liberal arts, materials and metallurgy, mathematics, mechanical and aerospace, and physics. Each department lists the areas it needs.

## Selection process

- The Institute shortlists applicants on qualification, experience, research and publication record, and the needs of each academic unit.
- Shortlisted candidates are called for an interview. Meeting the minimum conditions does not guarantee a call.
- Candidates called for a physical interview get economy class air fare within India reimbursed, booked through the approved agencies.

## How to apply

1. Apply only on the IIT H careers portal (iith.ac.in/careers, faculty.recruitment.iith.ac.in). Hard copies and email applications are not accepted.
2. Upload your educational certificates, including the date of Ph.D. defence, and your publication list with impact factor and quartile (Q1, Q2 and so on) of each journal.
3. Send a separate application for each department you apply to.
4. Submit by 12 November 2026, 11:59 PM. Government and autonomous body employees must apply through proper channel or give a No Objection Certificate.

## Documents

- Educational certificates including Ph.D. defence date
- List of publications with impact factor and quartile
- Experience certificates
- SC, ST, OBC-NCL or EWS certificate for the current year, if you claim it
- No Objection Certificate, if you work in a government body or PSU
- Disability certificate, if you claim it
