Establishment of fish hatcheries

The Meghalaya Fisheries Department gives a subsidy to farmers aged 18 to 60 for setting up a fish hatchery that can produce at least 10 million fry a year.

What you may get

A subsidy is given to set up a fish hatchery with a capacity of at least 10 million fry a year. The cost is shared as 54 percent Centre, 6 percent State and 40 percent by the beneficiary.

Who it is for

Farmers in Meghalaya aged 18 to 60 who can run a hatchery on at least 2 ha.

Main conditions

- Age should be between 18 and 60 years.
- The hatchery must have a capacity of at least 10 million fry a year, on an area of at least 2 ha.
- It must include a brooder pond, nursery ponds, rearing tanks, a small laboratory, and water and electric supply.
- Qualified technical staff must manage the hatchery.
