State Talent Search Examination in Maths and Science for Tribal Students of Meghalaya at the Close of Upper Primary Stage

The Meghalaya Education Department runs a talent search examination in mathematics and science for tribal students at the end of the upper primary stage, with a scholarship for those selected.

What you may get

Selected students get a scholarship for two years, paid by DERT straight into their bank account through NEFT or RTGS. The scheme page does not state the amount.

Who it is for

Tribal students of Meghalaya at the close of the upper primary stage who take the state talent search examination in maths and science.

Main conditions

- The student is a tribal student at the close of the upper primary stage.
- The student must take the talent search examination in maths and science.
- The scholarship is available for two years.

How to apply

1. The student applies through the school to the SDSEO.
2. The SDSEO issues the admit card and conducts the examination.
3. Selected students submit the needed documents to DERT, which transfers the scholarship to the bank account.
