Hostel Scheme for Disabled Students (Chhatragrih Yojana)

Madhya Pradesh sets up hostels, in rented buildings if needed, for disabled students of Class 11 and above where the school or college has no hostel.

What you may get

The government bears the electricity and water cost of up to Rs 1,000 per hostel, and any extra cost is borne by the students. A rent of Rs 750 a month is payable when the hostel runs in a rented building.

Who it is for

Disabled students of Madhya Pradesh with 40% or more disability, studying in Class 11 or above, in groups of at least five where the school or college has no hostel.

Main conditions

- The student is a native of Madhya Pradesh.
- The student studies in Class 11 or above.
- The disability is 40% or more.
- At least five students are needed to set up a hostel, and boys and girls get separate buildings.

How to apply

1. Gather at least five eligible students, since a hostel needs that many.
2. Submit the application in the prescribed form at the District Social Justice and Disabled Welfare office, whose District Social Justice Officer is authorised to sanction it.
