Entrepreneurship Development Programme (EDP), Puducherry

Puducherry runs a short training programme that builds business skills among educated unemployed people who want to start their own work. The government meets the whole cost of the training.

What you may get

The training is generally for one week and covers how to pick a project and the steps to set up and run a unit. The whole expense of the training is met under the scheme.

Who it is for

Natives or 3 year residents of Puducherry who want to become self-employed, with no age limit or fixed qualification.

Main conditions

- You must be a native of Puducherry or a resident there for 3 years.
- You should be keen on self-employment. No formal education or age limit is set, but your ability to follow the programme is assessed.
- Candidates who have already been trained under government schemes are not eligible, as per the Citizen's Charter.

Documents

- Proof of residence: birth certificate, education certificate or residence certificate
