Universal Immunization Programme (UIP), free vaccines

Free vaccines for children and pregnant women at government health centres and village sessions. No registration fee and no charge for the vaccine.

What you may get

11 vaccines are given free of cost: Hepatitis B, oral polio, BCG, injectable polio, Pentavalent, Rotavirus, Pneumococcal, Measles and Rubella, DPT, Tetanus and adult Diphtheria (Td), and Japanese Encephalitis (in the districts where it is needed). Pregnant women get the tetanus vaccine.

Who it is for

Newborns, children and pregnant women.

Main conditions

- For newborns, children and pregnant women.
- Vaccines are given free at government health facilities and at outreach sessions.
- Vaccination is recorded on the U-WIN portal, which also gives the vaccination certificate.

Documents

- Carry the child's or mother's vaccination card and Aadhaar or other ID if you have it.

How to apply

1. You do not apply. Go to the nearest government health facility or the village vaccination session on the day it is held.
2. Before each session the ASHA worker of your area goes door to door to tell families where and when it is. Ask her for the day and place.
3. Keep the vaccination card safe and take it every time.

Status

Ongoing
