Uttar Pradesh Micro and Small Industries Technical Upgradation Scheme

Uttar Pradesh gives financial help to micro and small units that want to improve their technology, such as better machines, quality control, packaging and energy saving.

What you may get

Help of 50% or Rs 5 lakh for installing advanced plant and machinery. Half of the interest on a machine loan can be paid as subsidy, up to Rs 1 lakh per year for a maximum of 5 years. Support is also described for certification, ERP set-up, consultancy and branding, and intellectual property verification.

Who it is for

Micro and small enterprises in Uttar Pradesh that hold Udyam registration and plan to upgrade their technology.

Main conditions

- The unit must be a micro or small enterprise registered in Uttar Pradesh, in manufacturing or services.
- Udyam registration is needed.
- A detailed project proposal must explain why the upgrade is required, the expected gains and how it will be sustained.
- The enterprise must follow all legal rules, including environment and labour laws.

Documents

- Identity proof such as Aadhaar card or Voter ID card
- Proof of age
- Caste certificate, if applicable
- Disability certificate, if applicable

How to apply

1. Apply online through the Directorate of Industries Uttar Pradesh portal that the scheme fact sheet links to.
2. Keep your Udyam registration and a detailed technology upgrade project proposal ready before you start.
3. Upload the identity, age and other papers the portal asks for.
